**Reynolds Chapman**, Voluntown, CT  
*University of Richmond, English*  
**Host Family:** Greg & Lyndee Breeding  
**Job Host:** Sagamore Institute  
**Mentor:** Eddie Howard  
 I studied abroad for a semester in Cape Town, South Africa, where I faced some of my most difficult faith challenges and my most valuable learning experiences. I've also visited Australia and Peru. During college, I was involved with Charity Family Life, a tutoring program for low-income students in Richmond.

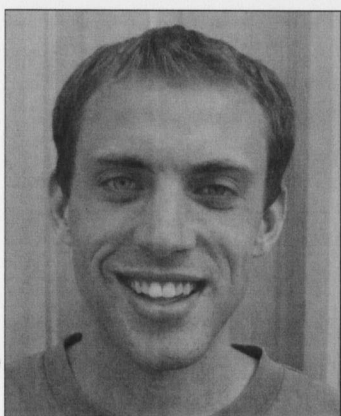

**Mike Lloyd**, Saline, MI  
*Virginia Military Institute, Mechanical Engineering*  
**Host Family:** Bobby & Dawn Jenkins  
**Job Host:** UVA School of Engineering  
**Mentor:** Bob Luck  
 At VMI, I played four years of varsity soccer and liked to stress myself out by getting over-involved in extracurricular activities. I love music and athletics. Music frees the soul, and athleticism is one way to express how intricate and beautiful we (God's creation) are.

**Dorothy Ferguson**, Gainesville, GA  
*Vanderbilt University, Psychology*  
**Host Family:** Blair & Katie Whitworth  
**Job Host:** Elder Research  
**Mentor:** Kris Livingston  
 I studied abroad in New Zealand for the adventure, not necessarily the education. I served on the leadership team of Campus Crusade for Christ and led a Bible study for younger girls. I have a passion for learning about people and what makes them who they are.

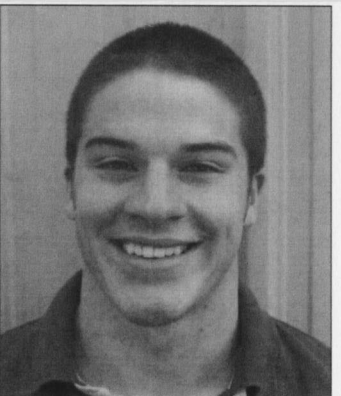

**Lewis Lovett**, Knoxville, TN  
*Wofford College, English, Creative Writing emphasis*  
**Host Family:** David & Ellen Turner  
**Job Host:** Music Today  
**Mentor:** Eric Heinsohn  
 I've spent most of my summers as a camp counselor at a place called Camp High Rocks. As a capstone project to an advanced poetry class, I completed and printed my own short book of poems titled "Umbrella Living." I spent this past summer traveling the world.

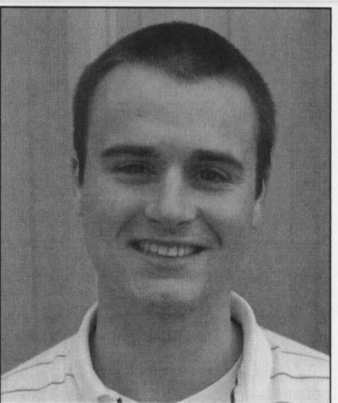

**Isaiah Goodall**, Elkton, VA  
*Virginia Tech, Management-Entrepreneurship*  
**Host Family:** Neal & Thea Donaldson  
**Job Host:** Elder Research  
**Mentor:** Bob Arms  
 I spent part of this summer backpacking the mountains of Scotland and Ireland, and I've spent several summers doing humanitarian/mission work in Mexico, London, Belgium and Uzbekistan. I hope to learn how to integrate my business skills with mission work through sustainable development including micro-enterprise startups in developing countries.

**Rose Merritt**, Norfolk, VA  
*College of William & Mary, Religious Studies & Psychology*  
**Host Family:** Craig & Lisa Wood  
**Job Host:** Splintered Light/Center for Christian Study  
**Mentor:** Lynda Smethurst  
 I was very involved with InterVarsity Christian fellowship and served as Inreach Coordinator for a year. I spent four summers working at a Christian sports camp called Summer's Best Two Weeks. At William and Mary, I played club field hockey and other intramural sports.

**Sean Greer**, Centreville, VA  
*Syracuse University, Finance*  
**Host Family:** Ned & Heidi Gumble  
**Job Host:** Northwestern Mutual  
**Mentor:** Steve McNerney  
 During my junior year abroad, I spent five months in London working for The Work Foundation: a charitable, not-for-dividend arm of Parliament. I've been part of different parachurch ministries like the Coalition for Christian Outreach and Young Life. This summer I paddled 170 miles of Ontario's Georgian Bay in a sea kayak.

**Tripp Purks**, Williamsburg, VA  
*James Madison University, English, minor in Cultural Communication*  
**Host Family:** Doug & Allison Woodside  
**Job Host:** Federal Executive Institute  
**Mentor:** Kase Luzar  
 I am passionate about student leadership development and would love to work with students professionally at a university. I love being outdoors, especially skiing and mountain biking. I studied abroad in London the summer before my senior year and would love to go back.

**Austin Johnston**, Roanoke, VA  
*Erskine College, Bible/Religion, minor in Music*  
**Host Family:** Dave & Krisan Marotta  
**Job Host:** Love INC.  
**Mentor:** Elizabeth Lynch  
 During college I wrote for the college newspaper, served on student government and was an RA for two years. I was very involved in my college choir, where I was the stage manager of a Christmas dinner theater program and also had the opportunity to travel to Scotland and sing in gorgeous cathedrals.

**Mariko Schaper**, Butler, PA  
*Penn State University, International Politics*  
**Host Family:** Tom & Jane Nolan  
**Job Host:** Christian Aid  
**Mentor:** Jennifer Seidel  
 I've been involved in Alliance Christian Fellowship and led small groups and Bible studies. I also had the privilege of doing missions work in Peru, Mexico and New Orleans. This summer I was a counselor at a sports ministry camp called Summer's Best 2 Weeks. I love being outside and playing sports, especially if I get to do it with kids.

**Lora Keady**, Houston, TX  
*Houston Baptist University, Political Science and Writing*  
**Host Family:** Jason & Nicole Burke  
**Job Host:** Journey Group  
**Mentor:** Debby Prum  
 I love writing, acting, singing and playing guitar (though I am no Whitney Houston or Jimi Hendrix). In college I headed up our drama group and literary magazine. I hope to spend my days on earth nurturing people and helping them understand their vast need for Christ.

**Jamie Sherwell**, Salisbury, MD  
*James Madison University, Psychology*  
**Host Family:** Ray & Susie Marotta  
**Job Host:** Bethany Christian Services  
**Mentor:** Sarah Granger  
 I lived and worked in Perth, Australia, for two months as an English teacher to Korean, Japanese and Taiwanese young adults. I have mentored a number of elementary-school-aged children and thoroughly enjoyed and learned from those experiences. I hope to pursue a career in school counseling or public relations.
